

Admissions

WHO CAN APPLY?

Bethany Lutheran School welcomes students of any race, color, sex, nationality or ethnic origin to all rights, privileges, programs, and activities of the school. Bethany does not unlawfully discriminate in the administration of educational policies, admissions policies, financial aid, or any other school-sponsored program. Bethany Lutheran School may not be able to fully provide a successful academic experience for all students who have need for specific accommodations, as in an Individualized Education Plan (IEP).

ENROLLMENT

Submit application paperwork

Submit Enrollment Application along with application fee.

Attending an Open House allows the opportunity to meet our principal and teaching staff to learn more about our school.

Scheduling a class visit or tour allows your family the opportunity to experience daily life at Bethany. You may also come tour the facilities to ask questions and enjoy the Bethany atmosphere. (Prospective student feedback is both helpful and beneficial for the family's decision making process).

WHAT OUR PARENTS SAY ABOUT BETHANY

"There is a strong support for school improvement. Involvement by staff, parents, and the community is strong. Shareholders recognize the importance of their involvement and appreciate the variety of communications they receive. School leadership and staff provide high-quality instruction nurturing students." Accreditation Visiting Committee Report

"We are amazed at how secure, creative, enthusiastic and confident all the children are at Bethany... In short, Bethany is a safe, creative, Christian school that inspires students and parents to love God, be a good citizen, [and] experience new things with confidence...Bethany is so much more than we ever dreamed four years ago and feel very fortunate to have our [daughter] attend." Joelle Nunberg

"Sending our kids to Bethany has allowed my family to get to know the church. The church has made a tremendous impact on the way we worship and fellowship with other Christian believers through Bible studies, Youth Programs, and other various ministries." Coco Martinez

"BLS provides a nurturing environment that allows our kids to be secure in their thoughts and beliefs. The amount of academic confidence that the kids have shown over the years is priceless." Joanna Buss
