

*Extend God's Kingdom!
Encourage one another!
In all, give God thanks*

Did you notice?
You just read a seventeen syllable poem,
called a haiku in Japanese!

What? We have note cards! They feature haiku poetry, with striking photographs on the fronts. You also have room for your personal, caring messages. What a great way to give a Christian witness to your family and beyond!

Who Do They Help? You have an opportunity to take a tax deductible donation to the school, as you purchase these note cards. The cost above printing of the cards is tax deductible to you. All of this money beyond printing costs goes directly back to Bethany PTO!

How Much Do They Cost? The cost per card is \$2.00 apiece. Three cards sell for \$6.00. Eight cards sell for \$12.50. Consider them as gift sets for family members and friends.

Where Can They Be Purchased? Call Lynn or John Holbrook at 448-0175 or e-mail JLHRanch@JUNO.com. Please indicate "greeting cards" in your subject window of the e-mail. They will also be available on some Sunday's in the Bethany Fellowship Hall.
