

BETHANY LUTHERAN SCHOOL

Request for Email Address

To streamline the distribution of information to our Bethany families, much of the information on school activities and events, in addition to communication from your child's teachers, classroom, and school office, will be made available in electronic format. This method will help eliminate lost paperwork as well as minimize waste.

Please provide an email address so that we may provide information to you. This information is for Office and Teacher use only and will not be distributed unless authorized to do so as stated below. ***If you do not provide email information, it is the parent's/guardian's responsibility to make reasonable efforts to keep informed of all events, activities, etc.***

Class List / Directory Information Release

After school begins, a complete directory listing our families' information (including: parent(s)/students name, address, phone number, and email address) will be made available. The directory will be of use should you wish to contact other school families (i.e. PTO Committees, to arrange carpools, to schedule play dates or to mail birthday invitations).

Your student's name and grade will appear in the BLS Student Directory. Please make one of the following choices as to what additional information may be printed:
