

## **Mrs. Christine Zadnik—Kindergarten**

While new to Bethany, I have a long and varied history in the field of Education. I have taught Preschool, been a substitute in almost every grade level, home schooled for 15 years, and most recently taught Kindergarten, First and Second Grades. I am proud to be a part of Bethany's staff and look forward to partnering with parents in the education of their children.

### **Education:**

BA in Child Development, California State University, Sacramento

Masters in Education, University of Phoenix

California Teaching Credential

### **Experience:**
