

## **Miss Elizabeth Sauerwein—Kindergarten**

I love working here at Bethany! I feel that God brought me here for a reason. I have always wanted to be a kindergarten teacher, and the opportunity presented itself to me five years ago. Teaching Kindergarten is like going on a new adventure everyday, and it is awesome! I could not ask for a better school or a better staff with whom I could work.

### **Education:**

BA in Elementary Education from William Penn University, Oskaloosa, IA
