

Mr. Peter DiMichele—Fourth Grade

During my twenty years of military service, I lived extensively in both Belgium and Germany. Returning to Vacaville, I began my teaching career at Bethany Lutheran as the school's first Fourth Grade teacher, and I've been working with fourth graders ever since. Besides teaching I enjoy working out, going to church and watching movies.

Education:

BA in Social Science California State University, Sacramento
California Teaching Credential from National University

Experience:

Years teaching: 10

Years at Bethany: 10
