All School & Church Picnic a Success

Thank you to everyone who was able to attend the Outdoor Worship and All Ministry Picnic! It was a tremendous success with a great turnout. What an amazing day God allowed us to share together listening to His Word, sharing a wonderful meal (thank you for all the donated items), and just the fellowship itself. These are the types of moments that fill our hearts with thankfulness, gratitude, and love. Thank you all for being a part of this important day for our ministry.

Looking forward to next year!

A BIG Thank You to Hew Hesterman, Pat Green and Dr. Smith for facilitating this among too many people to count: volunteers, musicians, teachers/staff, parents, children, Pastor Robert Fickenscher — EVERYONE!

The CNH District convention was held in Sacramento on Friday and Saturday May 11 & 12. It’s held every three years. The theme was “Heart Burning with Christ of the World” with focus on Missions. With the retirement of Bob Newton this year the Convention had to select a new District president. Rev. Michael Lange, currently Assistant to the President for Mission Advancement, was elected as the next President of the CNH District. The ballot started with four men and on the third vote, Rev. Lange received 58 percent.

He will succeed Rev. Dr. Robert Newton, who has served as District President for the past 15 years.

Rev. Dr. Thomas Zelt, the pastor at Prince of Peace (Fremont), was re-elected as First Vice President after receiving 60 percent of the vote.

Other Election Results were as follows: (Bethany is part of the Northern Region)

- Rev. John Standley was re-elected as the District secretary.
- Mike Mancini was re-elected as the Board of Directors - Commissioned Minister.
- H. Louis Rickey will be the new treasurer for the District. She was previously the LWML CNH President and the national treasurer for LWML.
- The Northern Regional Vice President is Rev. Jason Bredeson. The Regional Director is Mrs. Laurie Hertzberg.
- The Southern Regional Vice President is Rev. Clarence Eisberg. The Regional Director is Mrs. Marilyn Maxner.
- The Pacific Regional Vice President is Rev. Aaron Smith. The Regional Director is Mrs. Joan Hilse.
- The Nevada Regional Vice President is Rev. Jedidah Maschke. The Regional Director is Mr. Curt Drumm.
- The Hawaii Regional Vice President is Rev. Mitch Gowan. The Regional Director is Mrs. Lana Wold.
Reverends Mike Lange and Tom Zelt spoke to the convention on the importance of mission. My take away was that when we bring new people into the church sometimes we can expect it to be messy. Also, Synodical Vice President, Rev. Dr. Herbert C. Mueller Jr., addressed the convention on Saturday morning with both success and struggles facing the Lutheran Church - Missouri Synod. Topics included recent demographic studies, the work throughout Africa and how to best utilize resources in our areas.

Two questions he posed about the direction the church should look to were:
Who are the hurting and broken people in your community?
What are you doing to connect at least some of them with Christ?

One of the things he said that struck me was a question he asked, what can you give to God that is completely yours? Is it your Heart, your Life, your Family, … all these he gave you so they not completely yours? The only thing you completely own are your sins and death. But this is exactly what he wants to take from us. In return he gives us Life eternal through faith.

His presentation also included a question and answer period where he took questions from the floor. I cannot remember what they were; but they were various question about missions and synods positions on various issues. He will also be retiring next year.

Finally, we worked resolutions most of which passed. Eight dealing with issues internal to the CNH District. Two dealt with District request to Synod to reconsider positions that came out of the last Synodical convention

Resolutions internal to District: (Passed)
- By-law changes recommended by District Committee on Constitutional Matters to bring them into compliance with prior Synod and District convention actions
- Align the process of Strategic vision between Board of Directors and District President (Plan to be done just prior to each convention)
- Eliminate Prohibitions of Board of Directors members form being elected from same Circuit (Does not prohibit them from being from same congregation)
- Dissolve the CNH District Church Extension Fund
- Renew the Term of the CNH District Disability Ministry Task Force for 3-year term
- Clarify the role and relationship of the CNH Mission Agency to the CNH Board of Directors.

Resolution internal to District (Not Passed)
- By-Law Change to open possibility to a part-time District President- (Failed by one vote 75-76)
- To Prioritize the use of legacy assets

Resolutions Directed to the Synod Convention
- Encourage and affirm Lay Ministry (License Lay Deacons -LLD) within the CNH District (Passed 117-24)
- Synod convention in 2016 passed Res. 13-02 Regularized Status of LLD involved in Word and Sacrament Ministry (Passed 809-277). This resolution set-up procedures to change LLD to Special Ministry Pastor (SMP) which are ordain thus eliminating LLD who are not ordained from Word & Sacrament Ministry.
District’s issue in this process changing LLD to SMP is complicated, time consuming and expensive. District is declining the requirement that change because it restricts us in providing ministry needs to small groups.

- Overrule Board of Directors’ May 2017 resolutions 12-17 Re: By-Law 7.1.2 (Passed 100-19)

Synod convention in 2016 passed Res. 12-14 Regarding right of Accuser to Appeal when a District President or the Synod President Fails to act or decline to Suspend (Passed 997 to 67). The underlying issue was very contentious in the convention because it was about how we were to orderly solve conflict which gave the synod president a role in the process as required by synod Committee on Constitutional Matters (CCM) opinion. Some felt the CCM was opinion was not proper reading of Constitution. The convention delegated the issue to the Synod Board of Directors after consultation process with Council of President (all District Presidents and Synod Vice Presidents) to draft a By-Law to be pass by two thirds majority of the Synod Board. The by-law produced gave the Synod President a role (By-Law 7.1.2). The CNH District by the resolution asked that the new By-law be voided, and that issue be studied until 2022 by Blue ribbon task force. Thus, leaving old By-Laws in place only lets Synod President use only counseling and persuasion to effect what he thinks is best.

How does this affect Bethany? If a member from another congregation came to Bethany as a visitor, then decided that we were not doing something right, if then they file formal written complaint with their District and our District, we would be subject to the process. This would also go for any Pastor or Commissioned Minister.

Several new books were recently added. Stop in and take a look...take a book. We also added several new brochures. Need a bible? Help yourself. **Book Nook rules: No sign-out is necessary. Choose a book - read it, share it, pass it on or return it.**

*If you are interested in being a part of our Sunday Service “Children’s Message” rotation, please contact Paula Rush at mychurch@gobethany.com*

Each person is assigned a certain Sunday of the month and is charged with giving a 5-8 minute message to the children relating to that week’s readings.
"In returning and rest you shall be saved; in quietness and in trust shall be your strength." Isaiah 30:15

Continue to pray for Pastor Greg Stringer & Trudi during their time of healing. Pastor Stringer is released by his doctor to work 20 hours per week (returned May 15). Thank you to interim Pastor John Whaley for willingly helping Bethany Ministries. We say farewell to Pastor Whaley who has a prior commitment to serve another congregation beginning June. We also say thank you & good bye to Pastor Patrick Poock & family leaving to serve a congregation in Florida.

Dr. Chris Smith is interviewing candidates for permanent preschool director. We pray that God will lead Bethany to the best choice for permanent preschool director. Thank you to all who helped with the Accreditation process, now completed. Final report from WASC is pending. God is truly blessing Bethany schools’ ministry under the leadership of Dr. Smith. School registration for 2018-2019 is underway. Registration for kindergarten is up! Two kindergarten classes are scheduled for next year.

Summer program is planned for PS-8 students. Check GoBethany.com for details. Scott Ledford is planning for improved Security at Ulatis with a new tubular steel fence around the front. The next step for Ulatis is to add preschool classrooms so kindergarten can move back to the existing kindergarten classrooms temporarily being used for preschool to make room for growing student population. Council hired Terra Realty Advisors to start the process to prepare for the need to add preschool classrooms at Ulatis as early as 2019.

Hew Hesterman & Diane Irby are leading efforts to work with staff to plan Bethany congregation proactive outreach to young families for Christ. MAT (Don Henrich) hosts a video series of training in Lutheran teachings for the Ulatis staff & answers their questions. Thanks to Jim Witt for planning & hosting the very interesting Sunday morning (9am) Bible study series on “Visiting Israel”. All members and School families are invited. Pastor Whaley organized a Lutheran teaching training for the preschool staff for May 31. Your LWML is organizing a play production to show off Bethany members & student talents (talk to Carole Wilson for the details). Kevin Shaw is leading youth program efforts for 7-12 grade age youth (check Breeze for schedule). Please contact Hew or Diane to offer your help with outreach efforts.

Thanks to many who visit shut-ins. Thanks to the fellowship team & all who volunteer to help with Sunday morning fellowship.

Praise the Lord for His many blessings! 3 Bethany member families anonymously set aside a fund of $15,000 in November to match other member’s donations above tithe to help support Bethany ministries. Total contributed is $25,955! You may still contribute for a match above your tithe by designating your gift to be matched. Praise the Lord! We all need to think of new ways to stretch Bethany dollars further & to generate income to continue Bethany Ministries work. God works in amazing ways to bless Bethany congregation & keep His work going forward.

Property maintenance continues. Volunteers with donated materials work hard & are appreciated. Thanks to Mike McCall & Ron Shively who returned the water line for the hose bib on the west end of Ulatis building A to service & extended a new water line with hose bib to the garden on the south side of building A. Thanks to Amy Webber & family who cleaned up the Ulatis garden area & have plantings in mind! Thanks to Mike who unclogged the boy’s urinal in Building A. Thanks to all who helped trim trees & clear debris at Ulatis May 19 (~25 people including some school families helped). Talk to Mike McCall to learn how you can help.

For your information:

Through week 16 of 2018, Bethany congregation offerings (at the current rate) will reach 184% of yearly pledges promised Jan 28 towards financial support of Bethany Ministries in 2018. Thanks for putting the work of Christ first in your finances. Read GoBethany.com, Sunday bulletins, Breeze, & Eagle to learn what’s happening in Bethany Ministries & to plan your participation.

Reporting for your church council,
Ron Shively – Congregation President
We are reminded in 1 Timothy 4:8 that “while bodily training is of some value, godliness is of value in every way, as it holds promise for the present life and also for the life to come.” We train our children in godliness when we introduce them to Jesus, our Savior and theirs, and when we talk to them in a natural, conversational way about spiritual things. Parents and Sunday School need to work together to introduce and train our children in godliness. We are looking for a new coordinator as our current coordinator will be using her talents in other ministry areas. We also need your feedback and ideas on how to grow our Sunday School. Do you have ideas or suggestions? Are you interested in being the coordinator? Forward your ideas to Don Henrich at dcskvy@aol.com.

DID THE DISCIPLES EVER GRADUATE?

This is the time of year when students are graduating. People at all levels of education are “walking,” as they say, and receiving their diplomas. As graduations take place all around us, the thought occurred to me to ask if the disciples ever graduated?

Learning never stops in the school of discipleship! We will never understand it all. We are forever in the school of learning what it means to live like Jesus.

All the discipleship notebooks or “fill in the blank” outlines in the world won’t get us to a place where character development is complete.

For the rest of our lives we will need the Word of God, the Spirit of God, and the People of God to help us become more like the Son of God. Stay committed to the classroom of discipleship!

If you have grown tired of small groups, accountability, scripture memory, Bible discussion, outreach projects, and prayer—it is time to re-enroll. **The disciples of Christ never graduated.** They never ceased to grow and learn how to be a disciple and how to build more disciples.

One day we will “walk.” Let that day be the day we enter into eternity. Until then keep learning and growing and stay enrolled in the school of discipleship. *(Adapted from impactdisciples.com)*

Bethany Youth Group Update – Ga-Ga Ball

What the heck is Ga-Ga ball? Well, Ga-Ga ball is a variant of dodgeball that is played with one ball. The game combines dodging, striking, running, and jumping, with the objective of being the last person standing. Players hit the ball at each other with their hands, and are eliminated if the ball strikes them on or below the knee. Ga-Ga is played in a large fenced in area (usually an octagon or hexagon) called a Ga-Ga pit.

The Ga-Ga pit generally consists of flat walls atop a smooth dirt, turf, or sand surface. Guess what… we have a Ga-Ga pit thanks to the Hesterman’s!!

Therefore, the youth group played Ga-Ga ball in May and had a blast! We played a lot of games since the action is fun and fast. There was even a battle of the pastors with the adults. We even had fun pretending to be ducks. In the end, everyone had a good time and we got a lot of exercise. We even had time to do a bible study on transitions and what happens when you change schools, grades, or locations.

Speaking of changing locations, our fellow youth group friends, Silas and Kiah Poock will be leaving us next month. To thank them for being our friends, we said good-bye with some cake and S’mores. At the end of the day, it was a fun filled day where we all learned something and came closer together as a youth group, but are sad that two great kids will be leaving us soon.

Youth Group Bible Study: We are currently doing a bible study discussion on Bible Themes within the Star Wars Saga. Our bible study is on Sunday Mornings at 9:00 am. All Youth are free to join us. Some Sundays we even have Donuts!!!

Thank You Silas and Kiah Poock – We will Miss You!!

**REGENERATION FROM THE MAT**

Days are longer, evenings are warmer and everyone is looking forward to their summer plans. One of the places we enjoy visiting when we vacation are new churches. There always occurs a regeneration or spiritual renewal when we are able to witness a service with other Lutheran members whom we know or have never met. We should include worship with Christ in our summer travel plans. Gods gracious guidance, protection and many blessings are the reason we have the ability to travel on our vacations to begin with.

Enjoying the presence of Christ and the Holy Spirit is a 24/7 desire to fulfill our commitment to Faith. In the Old Testament Hezekiah became the greatest king of Judah in his time before David was crowned. He trusted in the Lord and brought a spiritual renewal to the people of Israel. *2Chron 31:21, Every work which he began in the service of the house of God in law and in commandment, seeking his God, he did with all his heart and prospered.* When we are united with Christ by trusting in Him we experience the power that raised Him from the dead. The same mighty power will renew and regenerate our lives. Letting the light of Christ shine from within us helps the regeneration of not only ourselves but those around us, whether we are with people we know or not. Our Christian projection thru actions and behaviors is a most powerful source of Gods brilliant love for others to see and experience.

Paul stated in Titus 3:5, He saved us, not on the basis of deeds which we have done in righteousness, but according to His mercy, by the washing of regeneration and renewing by the Holy Spirit.

Enjoy your time off this summer, whether traveling or not. Keep Christ foremost during this time and commit to the regeneration through God’s Grace.

The MAT
