This week we have been learning all about Ii and what sound it makes. We listened to Iggy Iguana, and practiced writing our letter Ii's. We read many different books in centers: Camping Under the Stars, In the Tree, and My Yard. Everyone is doing such a good job reading! Keep practicing the rainbow words at home as this will help them when reading. We have all learned how to write our last name. You may notice that many of our papers are coming home with first and last names on them. In math, we have been practicing writing numbers correctly and all about ten frames.

The Crab Feed is just weeks away! If you would like to purchase a ticket please go to our website, www.gobethany.com. This is such a fun night filled with food and prizes. Each class will contribute a project that will be auctioned off in a live auction. Baskets and other prizes will be raffled off in a silent auction and raffle. We hope to see everyone there!

We will be having a valentine's day party! We will be passing out valentines to the class. We have 14 students in our class. Please only have your child sign their name and do not put the other student's names on them. This makes it easier for them to pass them out. More information will be coming out soon about our party!!

Here are our student learning outcomes (SLO's). We want all parents to be familiar with what Bethany Lutheran Students will achieve when they graduate from our school.

BETHANY LUTHERAN SCHOOL
