February 1st - Hearing Screening

February 9th - Crab Feed and Auction

PE and Music

Second grade has PE on **Tuesday and Friday** afternoons. PE uniforms should be worn on these days. Music is on Monday and Wednesday afternoons.

Homework and Reading Logs

A homework packet will go home on Friday in their "Friday Folders" and it is to be returned on the following Friday. Homework is to reinforce what we are learning or have already learned in class. It teaches responsibility and the development of good study habits. In the homework packet is a reading log. I encourage your student to read 20 minutes each school night. I know at times this can be difficult, so if your student reads on the weekend that can be recorded for a day that might be missed during the week. Thanks for your cooperation.

***Your student now has 15 spelling words. The last word is a bonus word!**

Consumable Supply List - Last names M - Z

Math Facts - Please work with you student on their math facts at home. You can play games, use flash cards, apps or video games on devices too.

Auction - Tickets are on sale now!!!!!!!!!!!!!!!!!!!!!! We don't have very many tickets sold. Please consider coming to this important school event!!!!!!!!!!!!!! I am the auction chair coordinator along with my husband. We have some amazing auction items and raffle baskets. We will also have wonderful music by the Sapphire Sisters. Childcare is offered at the school for a small fee. \$10.00 per child for pizza, drinks, snacks and fun.

Supplies - Some students are in need of replacements for markers, crayons and expo markers. Please check with your student and see what he or she may need. Many students are moving around the room and borrowing from friends. This can cause many distractions. Thanks so much for your cooperation!

Hearing Screening - A permission slip is being sent home today. Please sign and return if you would like your student to be screened at school on Friday, February 1st.
