Library Field-Trip

The Friday before break it was raining on and off so I ended up returning the library books after school for the students. There were two students that had books at home still. Please remind them to bring the books to school.

I think the students really enjoyed going to the library and being able to choose from a large collection of books. I plan to take them back possibly this week if I can fit it in somewhere or next week. Look out for a permission slip sometime this week. I also still have all of the students library cards.

V-day Party and D.E.A.R. Day

We had a lot of fun the week before break with our Valentine's Day Party and D.E.A.R. Day. Thank you for providing snacks and small gifts for each of the students and me. The students had a blast on D.E.A.R. Day. A little too much fun. They built a fort big enough for all of them to sit comfortably and read. They been working hard this year so they deserved a day to chill and read.

Chabot Field Trip

The Chabot Space and Science Center needs a head count by Friday, March 1st . Please send permission slips back to school with your child. I have received only 3 so far. Just a reminder that this field trip is on March 14 in Oakland, Ca 9:30am-1:45pm.
