Acts	Philippians	2 Timothy

Enrollment

Please enroll your students by March 8th so that our class can have a pizza, ice cream, popcorn and movie party!! I want to see each one of their faces next year.

All School Field Trip

Next week Friday, we are going across the street to the theatre to watch "The Little Mermaid." I sent permission slips home Friday, March 1. The student will not be able to attend if permission slips are not signed.

We are also going to an IMAX theatre in Sacramento on April 12. The permission slips will be given closer to the date.

Career Days

Beginning this month, I want to invite parents to come share their jobs/careers with the our class. I would love to have as many parents as possible. Just let me know a date that you can come speak to the class for about 20-40mins. You can use powerpoint, videos, activities, and etc. to help the students understand what exactly you do. The students will have questions. Look forward to hearing from you all.

Student of the Week

The focus for the "Student of the Week" posters will be about what the students want to do when they get older.

This week's "Student of the Week" is Lauren. Remember Poster and Show and tell on Friday.

Love you all,

-Miss Harrison
