---

million	collect	lumber	pepper	plastic
borrow	support	thirty	perfect	attend
canyon	traffic	fortune	danger	soccer
engine	picture	survive	seldom	effort
occur	venture	challenge	rascal	splendid

### Reading this quarter

---

Thank you for testing your student at home to see how many words per minute (wpm) they could read. They seemed to enjoy this and helps parents see where their student is in reading. This quarter I will have the students read for 60mins for homework every night. I will continue testing their reading speed and comprehension throughout the quarter. The more they read, the better readers they become. So please encourage them to read as much as possible.

### **Re-Enrollment Party!**

---

We won the contest for having the highest percentage of students re-enroll out of all the classes! We received a pizza, ice cream, popcorn, and movie on Friday, March 15, 2019. Thank you for re-enrolling your students. Next year is going to be even better. The principal and staff have a lot of exciting new things that will be happening.

### **All School Field Trip**

---

Last week at the Chabot Space and Science Center was Awesome! The 4th-8th graders had so much fun. They learned a lot about space and science that I wouldn't be able to teach them just in the classroom. Hands-on learning is very important for these students, especially at their age. Thank you to the chaperones that attended and helped keep the students together and safe.

We are also going to an IMAX theatre in Sacramento on April 12. The permission slips will be given closer to the date.

### **Career Days**

---

I want to invite parents to come share their jobs/careers with the our class. I would love to have as many parents as possible. Just let me know a date that you can come speak to the class for about 20-40mins. You can use powerpoint, videos, activities, and etc. to help the students understand what exactly you do. The students will have questions. Look forward to hearing from you all.

### **Student of the Week**

---

This week is Neema. She will be sharing a career poster with us on Wednesday, March 3/20 and bringing a show-n-tell for us on Friday, March 3/22.

Love you all,

-Miss Harrison
