10am Resurrection Celebration
A shy little four year old girl was at the doctor’s office for a check-up. The doctor looked in her ear. “Is Big Bird in there?” he asked here. She didn’t answer. Then he looked down her throat. “Is Cookie Monster in there?” he asked. Again no reply. Then he put a stethoscope to her chest. “Is Barney in there?” She finally spoke and said, “Jesus is in my heart. Barney’s on my underwear.”

Now that’s putting things in perspective!

In just a few weeks we will celebrate Easter and the resurrection of our Lord Jesus. How that changes our perspective on life! Knowing that He has defeated all things—sin, death, hell, Satan, and the grave makes us more confident in our daily living. Problems, hassles, mistakes, frustrations, illnesses, and losses can be placed in proper perspective when we reminded and celebrate His victory over the grave.

If you’ve lost your perspective in life and are seeing nothing but the hassles and losses of life, may the hope and power of His resurrection give you renewed strength, purpose and perspective.

Jesus, and His resurrection hope, is in your heart!

Colossians 1:27 reads, “To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is Christ in you, the hope of glory!”

Celebrate and live Easter each Day!

Celebrating with you,
Pastor Russ
Greetings from Bethany Council

God’s promise to Israel applies to us as well. “Be strong! Be courageous! Do not be afraid of them! For the Lord your God will be with you. He will neither fail you nor forsake you.” Deuteronomy 31:6 (TLB)

Bethany Senior Pastor: President Lange of CNH district sent a list of senior pastor candidates to Bethany Call Committee, led by Jerry Miller. The call committee is gathering candidate information to help facilitate a congregation call meeting. Thanks to Pastor Russ Hess who officially began intentional interim ministry at Bethany February 18. See his door for office hours.

Outreach: Children are taught about Jesus daily at Bethany schools: K-8 – 98 enrolled. Preschool – 102 enrolled. Hew Hesterman & Diane Irby lead efforts to work with staff to plan Bethany congregation proactive outreach to young families for Christ. Look for ways you can participate in the Bethany Ministries Sunday worship & picnic at Pena Adobe Park May 5. Thanks to the leaders who plan & host interesting Bible studies for us. Your personal invitation can help friends & school families learn about Jesus love for them. Kevin Shaw leads efforts for 7-12 grade youth program (check bulletins & Breeze for schedule). Please contact Hew or Diane to offer help with outreach efforts. Thanks to LWML for their efforts for teaching Bethany Sunday School.

Property maintenance continues & are appreciated. Thanks to Regina Brown for facilitating the loss valuing process with the insurance adjustors on Bethany’s behalf.

Tragic August preschool building fire restoration progress: Church Mutual fire insurance has defined some of what the insurance covers: 1) Demolition of the destroyed part of the preschool building. 2) Repair of the north classroom, restrooms, closets, & electrical room sufficient for preschool to return. Demolition & repair work can officially begin once contracts are signed & timing is right (probably June). 3) Replacement cost of the destroyed part of the building is estimated at ~$696K (funds can be applied toward a new preschool building at Ulatis). $200K has been received into a building fund restricted US Bank account to help get started. 4) Replace contents: Bethany received $41K less $2.5K deductible for items purchased to continue preschool operation. $ are available for the rest of the contents (receipt confirmation required). 5) Church Mutual is still reviewing lost income and other items. Thanks to Cathy Mathews for facilitating the process with the insurance adjustors on Bethany’s behalf.

Terra Realty Advisors, in consultation with Bethany property planning team, is guiding the process of developing cost estimates for a new preschool building at Ulatis.

PG&E officially approved the Bethany Ulatis solar power system for operation. Expected savings is >$20,000 the first year (ROI is >10%). Talk to Curt Johnston if you have any questions or ideas to help with Bethany finances.

Stewardship: God works in amazing ways to bless Bethany congregation & keep His work going forward. ~$12,225 is matched of the $15,000 fund set aside in November 2018 by 3 member families! You may still participate for a match by designating your gift above tithe to be matched. Thanks for putting the work of Christ first in your finances. Read GoBethany.com, Sunday bulletins, Breeze, & Eagle to learn what’s happening in Bethany Ministries & to plan your participation.

Renewing Your Mind

What’s in a word? At times we may believe that words are significant, or not significant, that they apply to us, or they don’t apply to us. We evaluate words all the time in communication, whether written or verbal. Have you ever wondered why the original words of the Bible were written in Hebrew, Aramaic, and Greek? Why did God choose these languages as the language to record His Word to us? Very simply………these languages were very specific in their meaning. Words were formed in a way that they could not be misunderstood. They had grammatical rules that had to be followed to be true to the intent of the author. God did not provide the words of the Bible so they could be easily misunderstood. As our heavenly Father, He was very clear on the message He wanted to relay to His children. He did not want to leave any question unanswered about His intentions when it came to eternal salvation. Today, our languages are not as specific. Many times words are misinterpreted, truncated, or misapplied and this leads to confusion, wrong choices, oftentimes heartache and pain.

To provide an example of how the languages of the Bible are specific, we will take a look at Romans 12 verse 2 where it states, “Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind”. Let’s take a look at just one word. In the Greek it is μεταμορφοῦσθε (pronounced metamorphous the). You may recognize our English word “metamorphosis”. Here in English it is translated as “be transformed”.

To understand what God meant to say in that one word, we need to break down the Greek word μεταμορφοῦσθε. This Greek word is a verb constructed in the Present Tense (today), Imperative (you must do this), 2nd person plural (all of you), Middle voice (acting in your own interest or benefit) and Passive voice (you being the recipient of the action). So when applied correctly the translation of that one word goes well beyond the phrase “be transformed”. The literal and correct translation of that one word would read “All of you must keep on transforming yourselves today for your own benefit, by the renewing of your mind”. Now that really changes how we can better understand God’s intention! God wants us to be transformed (changed) daily for our own benefit and it starts with the renewing of our minds!

But do we resist that change or have we become complacent in our “metamorphosis”? Contemporary recording artists have popularized their songs “I Did It My Way”, “I’ve Gotta Be Me”, I’m Woman, Hear Me Roar”. The lyrics of these songs are completely antithetical to God’s plan for the Christian. Have we ourselves given in to the attitudes “I just can’t change” or “I’m too old to change” or “I don’t want to change” or worse yet “I don’t need to change”?! This is not God’s plan for your benefit. We must be transformed every day by the renewing of our mind.

So how is our mind renewed? King David had a clear understanding that the mind and the heart had something in common - they could be cleaned and renewed because of God’s grace and forgiveness. In Psalm 51 verse 10 he wrote, “Create in me a clean heart O God, and renew a right spirit within me”. David turned to God, his heavenly Father. So to renew your mind, first ….. recognize that you have failed to renew your mind in a way that is pleasing to God and ask for His forgiveness. Second, turn to God and continuously pray He will renew your mind and that He provide you with a clean heart.
Next, immerse yourself in opportunities to continuously expand your knowledge of God’s Word by daily reading and obeying His Word, by participating as a vibrant member in His church here on earth, and by regularly attending church services and Bible studies. It is by God’s grace and forgiveness that we have the ability and opportunities to renew our minds. It is God who creates a new heart for us and renews our mind when we are obedient to His Word. By renewing your mind “you will be able to test and approve what God’s will is--his good, pleasing and perfect will”.

Romans 12:1 Therefore, I urge you, brothers, in view of God’s mercy, to offer your bodies as living sacrifices, holy and pleasing to God--this is your spiritual act of worship.

LIFE
In April, Bethany LWML will be focusing on LIFE! Our focus will be protecting the unborn babies in Solano County. Would you kill someone? Lately discussions over whether abortion is killing, or a moral obligation for creating children we are not prepared to raise have created quite a stir. Society, sadly, has begun to accept that abortion equals kindness, and killing is only wrong when regulated. Would you ever kill someone? I expect every one of us would answer no! As Christians, we understand better than most that life is weighted with profound suffering and buoyed by eternal hope. It is time to raise our children to appreciate what a big, beautiful struggle parenthood is and that it simply cannot happen without offering compassion, love, and grace to children still in the womb.

Long before the invention of the modern-day ultrasound, one can actually see the very first recorded “ultrasound,” in Luke 1:41. While the precise images were not available in the moment for Elizabeth to show Zechariah or to include in a baby book, St. Luke does record for us the details so we might peer in and see this most amazing occurrence when Mary enters the home of Elizabeth and calls out to her and the child sudden leaps in her womb. At six months, John the Baptist shows himself to be a very healthy baby indeed!

This “ultrasound” shows us many things which will be very important later on. First and foremost, we see John leap, an indication this is no mere blob of cells that is floating around the womb of Elizabeth, but this is a fully formed human being who is not only agile, but who is able to do things that a person outside the womb is able to do.

As we peer into the womb of Elizabeth, we see not just a healthy baby boy who causes quite the stir inside his mother, but we see the beginning of the fulfillment of God’s plan of salvation. For the child who leaps in the today does so to point us for the first time to another child in the womb—Jesus!

We also played a competitive Movie Trivia Game that was fun and competitive. Veronica and Paden got really into it. Sam’s team came back from last place with the Harry Potter Trivia and came in 2nd place. In the end, Howard and his team took the day! We also participated in BUNCO night with the LWML. It was very fun and thank you for allowing us to sell our pasta during the event.
