Homework and Reading Logs

A homework packet will go home on Friday in their "Friday Folders" and it is to be returned on the following Friday. Homework is to reinforce what we are learning or have already learned in class. It teaches responsibility and the development of good study habits. In the homework packet is a reading log. I encourage your student to read 20 minutes each school night. I know at times this can be difficult, so if your student reads on the weekend that can be recorded for a day that might be missed during the week. Thanks for your cooperation.

***Your student now has 15 spelling words. The last word is a bonus word!**

Consumable Supply List - Last names M - Z

***We don't need cups!**

Math Facts - Please work with you student on their math facts at home. You can play games, use flash cards, apps or video games on devices too.

Supplies - Some students are in need of replacements for markers, crayons and expo markers. Please check with your student and see what he or she may need. Many students are moving around the room and borrowing from friends. This can cause many distractions. Thanks so much for your cooperation!

Church - BLS will be singing at Bethany Church on Sunday, March 10th at 10:00 am. Mark your calendars! The students have been working on hard. You won't want to miss it!

Enrollment - Enrollment for current BLS families is already taking place on TAD's. Open enrollment for new families will start soon. The class with the most sign ups by Friday, March 8th will win a pizza, ice cream, popcorn and movie party!!!!!! **If you are not planning on returning to Bethany, please let me or Dr. Smith know your reason(s) for leaving.** Thanks!

St. Patrick's Day Fun - We will have some fun for St. Patrick's Day on Monday, March 18th in the afternoon. More details soon.
