

First Grade Newsletter

Thursday, April 11, 2019

This week, in *First Grade*, we practiced ordinal numbers and number order. In Reading, we continued to work on fluency and comprehension through our weekly story. In Science, we completed our study of "The Food Chain" by creating our own chains and taking a written quiz. In Bible, we learned about the meaning of Palm Sunday and were given actual palms in Chapel!

This week's homework packet will be *First Grade's* annual "Ocean Project". This project consists of worksheets, a diorama and an oral presentation. The project is due the Friday after Easter Break, May 3rd (see the project cover letter for details). Everyone is very excited to get started! Please help them as needed and, most of all, have fun!

For tomorrow's all-school-field trip to the IMAX Theater in Sacramento, please remember to send your child to school with their CARSEAT. Everyone is to meet at school at 7:30 am. Please BE ON TIME to allow for carseat set-up and placing children in cars. We are LEAVING PROMPTLY at 8 am. Thank you for your cooperation!

Bethany's annual Easter Egg Hunt is fast approaching! The date is Saturday, April 20th. Remember, this is a great opportunity to earn partnership hours! Also, be sure to bring in your one dozen filled plastic eggs (no chocolate). The kids have so much fun at this event. The more eggs the better!

Tomorrow is a minimum day for all students. Extended Care is available as usual. Next Friday, April 19th, is Good Friday. There will be no school. Easter Break is Monday, April 22nd to Friday, April 26th. School resumes on Monday, April 29th.

Thank you so much for all your support!

Mrs. Thomas
