7:30am-8am**

## TerraNova Testing

---

We will begin testing next week. Monday- Friday, May 20-24th. Please advise your student to eat a healthy breakfast. I will give not give homework out during test days.

## Mission Projects

---

The entire month of May, we will be working on Missions. All of the students have received their Mission Kits. There is no right way to do them. Just try to make the building structure look like the original, but the students are welcomed to add things to them. They will be due **May 31st**. Mission Reports are due **May 31st**. If you have any questions, just text or email me.

## Writing Celebration

---

We will be having a Writing Celebration that all parents are invited to join. The students will be sharing their poems and missions/reports with us. This will be tentatively Monday, June 3rd from 8am-10am. (I am trying set up a field-trip on the same day so that we can do everything on one day and possibly have our cultural food day.)

## Career Days

---

**I want to invite parents to come share their jobs/careers with the our class. I would love to have as many parents as possible. Just let me know a date that you can come speak to the class for about 20-40 mins. You can use powerpoint, videos, activities, and etc. to help the students understand what exactly you do. The students will have questions. Look forward to hearing from you all. This will be going on until the end of the school year.**

Ryun's mom shared with us about Social Work. She lives a bit a ways so she skyped us and had put her powerpoints on the screen.

## Student of the Week

---

This week is Lexi and Ryun. They will be sharing with us colleges that they think they might attend and bringing a show-n-tell for us on Friday, May 17, 2019.
