May 17, 2019

Wow! How this year has flown by! We cannot believe that we only have a couple more weeks of school left. We have finished out math unit on weight and measurements. The children did such a great job on this unit and blew us away with how much they learned. We will be focusing on addition and subtraction over the next two weeks. Please make sure you are practicing sight words, addition and subtraction at home. We will begin assessments for fourth quarter on Monday.

**End of The Year Field Trip:** We are going to the Sacramento Zoo on Thursday May 30<sup>th</sup>. The cost of the field trip is \$6 per person. Please let us know by next Thursday May 23<sup>rd</sup> if your child will be attending the field trip. This is an all-day field trip. Your child will need a sack lunch.
