

Second Grade News From Mrs. Ledford!!!!

Please feel free to contact me with any questions or concerns. You can email me at amy.ledford@gobethany.com or call the school and leave a message. The school phone number is 451-6683.

Important Dates

May 13th - 17th - Scholastic Book Fair

May 15th - Minimum Day, school out at 12:00pm

May 17th - Muffins with Mom from 7:30-8:00am

May 20th - 24th - Terra Nova Testing

May 27th - No School for Memorial Day

PE and Music

Second grade has PE on **Tuesday and Friday** afternoons. PE uniforms should be worn on these days. Music is on Monday and Wednesday afternoons.

Homework and Reading Logs

A homework packet will go home on Friday in their "Friday Folders" and it is to be returned on the following Friday. Homework is to reinforce what we are learning or have already learned in class. It teaches responsibility and the development of good study habits. In the homework packet is a reading log. I encourage your student to read 20 minutes each school night. I know at times this can be difficult, so if your student reads on the weekend that can be recorded for a day that might be missed during the week. Thanks for your cooperation.

***Your student now has 15 spelling words. The last word is a bonus word!**

Consumable Supply List - Last names M - Z

***We don't need cups!**

Math Facts - Please work with you student on their math facts at home. You can play games, use flash cards, apps or video games on devices too.

Supplies - Some students are in need of replacements for markers, crayons and expo markers. Please check with your student and see what he or she may need. Many students are moving around the room and borrowing from friends. This can cause many distractions. Thanks so much for your cooperation!

Enrollment - Enrollment for current BLS families is already taking place on TAD's. Open enrollment for new families has started. **If you are not planning on returning to Bethany, please let me or Dr. Smith know your reason(s) for leaving. Thanks!**

Reminder - Book Report project due on Friday, May 17th.

Multiplication - We will be starting multiplication next week. We will work on 0, 1, and 2s.

Book Fair - The Book Fair takes place next week. We will visit as a class on Monday afternoon. You may send money with your student. Please make sure you label it! Thanks!
