Dear Parents,

Welcome to 4th and 5th grade combo! I hope you have had an enjoyable summer with your family. I am looking forward to an exciting ten months getting to know your child. Being an educator has taught me communication between parents and school staff is just as important as the learning process. I will need your cooperation in order to make your child's transition from home to school successful everyday. Please voice your concerns to me as soon as they come up. I will be sure to communicate mine with you. I would also like to know of any changes going on at home, which might affect your child's behavior. A parent leaving on a business trip, illness, visiting relatives or a nightmare may show up in the classroom as tantrums, tears, excitement or sadness. I can best help your child adjust if I know why he or she is feeling out of sorts. The best way to inform me would be a note in my mailbox or a message on my voicemail. I urge you not to talk in front of your child or try to speak to me during the morning rush. If you need to speak to me in person, please schedule an appointment either before or after school. This way we can focus on the issue at hand. Thank you in advance for your cooperation. Our partnership will go a long way in sending a positive message to your child.

Sincerely,

Mrs. Hunter

This week's learning...

There will be no course work or homework this week. Our focus this week will be learning rules and procedures of the classroom.

The student's will also be learning how to go online and navigate the class website. Their only assignment will be to go home and teach their parents.

Here is helpful information that I expect from you and your student as well as what you can expect from me and in the classroom:

1. Your child should be reading everyday (4th-30mins and 5th-45mins)
2. YOU MUST INFORM ME OF ANY CHANGES IN DISMISSAL IN WRITING. OTHERWISE YOUR CHILD WILL BE SENT HOME THE USUAL WAY!!! Your children need that concrete reminder. This greatly eases your child's mind and reduces stress at dismissal!
3. Send in a large T shirt or smock for art (Wednesday).
4. Have your child wear PE uniform and sneakers on Mondays and Thursdays (Physical Education).
5. Dress your child for the weather. Make sure they have what they need. Label your child's belongings.
6. Student of the week: There will be a student randomly drawn each week that will share a poster and show-n-tell that week
7. Birthdays: A special snack is always welcome! Please drop it off first thing in the morning so I can best decide when to serve it.
8. Book Orders: Please order online. Scholastic.com
9. Snack: Send one each day please. Our lunch is at 12:45 and your child will need it! A drink is optional.
10. Donations: All are welcome! In the past parents I have put in the newsletter things that are needed and parents usually help me out by purchasing them
11. Parent Homework: Please go over all work sent home in your child's folder. Discuss the work. Take time to notice the things your child does well or struggles with. Look for any notes or notices for you as well! Please read and respond promptly!

THANK YOU
