Dear Parents,

We have started off to a great year. Last week, the students learned the procedures and routines of the classroom. They had the chance to learn what a normal day would look like. There was lots of information we went over, but they were great listeners.

There is also lots of information for parents. So please read this Newsletter entirely and let me know if you have any questions!

Sincerely,

Mrs. Hunter

Here is helpful information that I expect from you and your student as well as what you can expect from me and in the classroom:

1. Your child should be reading everyday (4<sup>th</sup>-30mins and 5<sup>th</sup>-45mins)
2. YOU MUST INFORM ME OF ANY CHANGES IN DISMISSAL IN WRITING. OTHERWISE YOUR CHILD WILL BE SENT HOME THE USUAL WAY!!! Your children need that concrete reminder. This greatly eases your child's mind and reduces stress at dismissal!
3. Send in a large T shirt or smock for art (Wednesday).
4. Have your child wear PE uniform and sneakers on Mondays and Thursdays (Physical Education).
5. Dress your child for the weather. Make sure they have what they need. Label your child's belongings.
6. Student of the week: There will be a student randomly drawn each week that will share a poster and show-n-tell that week. (We will start this next week, just because things are a bit chaotic this week)
7. Birthdays: A special snack is always welcome! Please drop it off first thing in the morning so I can best decide when to serve it.
8. Book Orders: Please order online. Scholastic.com
9. Snack: Send one each day please. Our lunch is at 12:45 and your child will need it!
10. Donations: All are welcome! In the past parents I have put in the newsletter things that are needed and parents usually help me out by purchasing them
11. Parent Homework: Please go over all work sent home in your child's folder. Discuss the work. Take time to notice the things your child does well or struggles with. Look for any notes or notices for you as well! Please read and respond promptly!

THANK YOU

Dear 4th and 5th Grade Parents,

I am excited to inform you that we will be attending Coloma Discovery School this year. Coloma Outdoor Discovery School (CODS) is an outdoor education school that has provided educational programs since 1990. Their campus is located on the banks of the South Fork American River, across from the Marshall Gold Discovery State Historic Park, within the Coloma Resort.

We have signed up for the Three Day California Gold Rush Adventure Program. CODS' goal is to celebrate the culture, music, and folklore of the California Gold Rush while using lessons of the past to awaken students' interest and sense of responsibility for the environment.

This field-trip will be September 25th-27th. The cost for each student is **\$225** and the cost for each parent chaperone is **\$110**. Since this field-trip is next month, we need to know which students will be participating.

If you would like your child to participate in this field trip, your TADS account will be charged. If you would not like for your child to participate in this field trip, they would still be required to attend school the days we are gone.

**Please check a box below and return this to Mrs. Hunter no later than August 26, 2019.**

Yes, I would like for my child to attend and understand that my TADS account will be charged \$225.

No, I would not like for my child to attend and understand that my TADS account will not be charged \$225.

**Parent Chaperones:**

Yes, I would like to be a chaperone on this field-trip and understand that my child's TAD's account will be charged \$335. (\$225 per student + \$110 per parent chaperone)
