Dear Parents,

This first full week back to school has been a success! The students are getting back into the rhythm of school very quickly. They are pretty focused right now and I hope they continue to keep it up for the whole year. They were excited for homework! Haha.

Parents, I want to thank you again for choosing Bethany Lutheran School. We value each of our students and families.

Please read the newsletter entirely to find out what is happening next week.

Sincerely,

Mrs. Hunter

## More Important News

### Coloma Discovery School

- Please Return Coloma Permission Slips if you have not done so.
- Below you will also find a [scholarship request form](#). If you need some assistance with paying for this field-trip, please fill the form out and have your student return it as soon as possible.
- Also, I have been told by Coloma Discovery School that we are only allowed to bring 4 chaperones. Specifically 2 male chaperones and 2 women chaperones because of sleeping arrangements. I have already had more than 4 parents tell me that they would like to join us. So once I receive all of the permission slips on August 30<sup>th</sup>, I will have to put everyone's name in a hat and pull 4 names (2 females and 2 males). Some parents have already expressed that their child won't be able to attend unless they are there and I hope that if your name is not pulled you still allow your child to attend. This is a great learning opportunity for the students. Your child will be safe with 4 chaperones and me.
- If your child does not attend the field-trip, they will still be required to attend school the days of the trip. Please email me asap if your student is not attending.
- I am planning a car wash to help lower the cost of this field trip. Look out for more details about this event.
- Also, the cost of the trip (\$225) will be added to your TADs account, but you will have until the June to pay it off.

Dear 4th and 5th Grade Parents,

I am excited to inform you that we will be attending Coloma Discovery School this year. Coloma Outdoor Discovery School (CODS) is an outdoor education school that has provided educational programs since 1990. Their campus is located on the banks of the South Fork American River, across from the Marshall Gold Discovery State Historic Park, within the Coloma Resort.

We have signed up for the Three Day California Gold Rush Adventure Program. CODS' goal is to celebrate the culture, music, and folklore of the California Gold Rush while using lessons of the past to awaken students' interest and sense of responsibility for the environment.

This field-trip will be September 25th-27th. The cost for each student is **\$225** and the cost for each parent chaperone is **\$110**. Since this field-trip is next month, we need to know which students will be participating.

If you would like your child to participate in this field trip, your TADS account will be charged. If you would not like for your child to participate in this field trip, they would still be required to attend school the days we are gone.

**Please check a box below and return this to Mrs. Hunter no later than August 26, 2019.**

Yes, I would like for my child to attend and understand that my TADS account will be charged \$225.

No, I would not like for my child to attend and understand that my TADS account will not be charged \$225.

**Parent Chaperones:**

Yes, I would like to be a chaperone on this field-trip and understand that my child's TAD's account will be charged \$335. (\$225 per student + \$110 per parent chaperone)
