Dear Parents,

I hope you had a relaxing Labor Day weekend. We learned a lot last week and had fun doing a couple of art activities. The students began their classroom jobs and this has allowed the students in the classroom to not only keep it organized and clean, but also function as a team to get things done.

I have just put up the classroom behavior chart. This will be used to help the students keep accountability of their behavior and encourage them to listen and follow directions. Students with great behavior will have a chance to receive a reward.

The students are doing great, please continue to check planners and making sure homework is turned in on time.

Sincerely,

Mrs. Hunter

Memory Verse this week!

John 17:17

“Sanctify them by the truth; your word is truth.”
