

Miss Mathews 1st/2nd Combo Class

8/30/2019

The children have really started to learn the routine of the classroom. It is very different from a traditional classroom. We are learning that we have a lot of independent work and that we can do it! Please make sure you are talking with your children about being a good listener, staying on task during class work, and following directions the first time. This is what we expect from our GATE class.

Many students have not brought in their school supplies. Please make sure these are brought in by next week. Many are missing their two folders which are used for homework and testing. If you have any questions on what supplies to get, please see the school website.

Our homework packet is going home today and is due next Friday. Please make sure your child is reading every single night and practicing their Bible verse and spelling words. We will have a written spelling test every Friday.

I will have ongoing partnership hours for those who would like to take home grading. Let me know if you are interested, and I will put a list together and send it home any time I have grading to be done.

Blessings,

Miss Mathews
