

Miss Mathews 1st/2nd Combo Class

9/6/2019

This week we got to talk a lot about labor day and even got to write about what we want to be when we grow up. The children had a lot of fun decided what they want to be. We also have a new friend, Ms. Judy, who has started working in our classroom Monday, Wednesday, Fridays. She is working with the children in small groups. She has her Master's in Education and many years of experience working with children. The children have loved having her in the classroom.

We will also be starting sign language in the next couple weeks. We will learn the alphabet, numbers, emotions, colors and much more. This will be fun for the children to learn how to communicate in a different way.

Many students have not brought in their school supplies. Please make sure these are brought in. Many are missing their two folders which are used for homework and testing. If you have any questions on what supplies to get, please see the school website.

Our homework packet is going home today and is due next Friday. Please make sure your child is reading every single night and practicing their Bible verse and spelling words. We will have a written spelling test every Friday. I know that the homework packet is difficult for some, but I know the children can do it! They are very smart and the more they get use to the homework packet, the easier it will get.

PE and Music are on Tuesdays and Thursdays!

Blessings,

Miss Mathews

Important Dates:

9/11: Picture Day- Chapel Dress

9/27: Minimum Day
