

Miss Mathews 1st/2nd Combo Class

11/1/2019

First Grade: This week we learned all about the short e sound. We talked about final blends and how to figure out the ending sound of words. We continued to talk about nouns and what it means to be singular and plural. We also started to learn about special plural nouns that change the whole word instead of just adding s. Our stories this week were Dr. Seuss and Pete Pats Pigs. In Math, we talked about different addition strategies. They learned how to use a number line, how to use doubles to add, and writing number sentences. We will finish up chapter 5 today and take our math test on Monday!

Second Grade: This week we learned a lot about base words and endings. We talked about the ed and ing endings. They learned how to find the base word and how to find the ending sounds. We talked about verbs and when to add s or es to make it plural. We also talked about synonyms and how they mean almost the same thing. We continue to work on our writing and combining sentences that have the same subject or predicate to make it a more complex sentence. In math, we worked on grouping and place value. We have talked a lot about how to group in tens to make it easier to count. We will finish up chapter 5 today and take our math test on Monday!

Our Bible story this week was The Golden Calf. We talked about asking God to forgive our sins and how to do that. We are wrapping up our plant unit in science. Next week we will have our science test and plant our own plants and watch them grow.

Music: MS. Donna has asked that they bring their flutophone with their music binder to every music class. Please make sure they have it on Tuesdays and Thursdays.

PE and Music are on Tuesdays and Thursdays!

Blessings,

Miss Mathews

Important Dates:

World's Finest Chocolate Sale Began Yesterday!

11/1: Pizza Friday
