

## Kindergarten Newsletter

December 6, 2019

Welcome back! I hope everyone was able to have a restful Thanksgiving break. I was so happy to see all of our kindergarteners and their smiling faces again. Now that Thanksgiving is over, we are in full Christmas mode! Christmas is such a special time of year. It is so exciting to learn about the birth of Jesus and everything leading up to it. We started by learning about angels and their important job on the night Jesus was born. Angels had the job of telling the shepherds the great news.

Christmas is also a busy time of year here at school. Tonight is the Christmas tree lighting here at Bethany. There will be crafts, cookies and milk and Santa! Students can wear pajamas if they want to also. The fun starts at 6:00 tonight.

Monday, December 16<sup>th</sup> is our Christmas program at Vacaville Performing Arts Theater! This is such a special night. We have been practicing our Christmas songs with Miss Donna and they sound amazing! Miss Donna will be sending a letter home with all the details including what your child should wear. The kindergarten and 1<sup>st</sup> grade will perform together and then 2<sup>nd</sup> through 8<sup>th</sup> grade will perform their program, The Christmas County Spelling Bee. You do not have to stay for this performance but of course you are more than welcome to. Please keep an eye out for next week's newsletter which will include more details including drop off and pick up times and locations. There will also be a permission slip sent home next week for our dress rehearsal which will be at VPAT on the afternoon of the 16<sup>th</sup>.

Reminder-the next hot lunch Friday is on December 13<sup>th</sup>. A flyer was sent home yesterday. This week we will have mac and cheese and chicken nuggets. Please return your child's order no later than the morning of Thursday, December 12<sup>th</sup>.

Have a great weekend!

Mrs. Fernandez
