Kindergarten Newsletter

February 28, 2020

We had a very productive week back from break. I hope you all were able to rest and have fun! This week we have been learning about friendship and what it means to be a good friend. We read several books about friends and learned that even thought we might think differently and like different things, we can still be friends! We also have been focusing a lot on capitalization and punctuation in sentences. I introduced the concept of The Bossy E at the end of words. The Bossy E makes vowels say their names in words like, bake, bike, smile etc. They had fun finding lots of Bossy E words in our books this week. This is something to do at home, too. Many of our students have really taken off when it comes to reading. It is exciting! Please continue to practice our Rainbow Words nightly after homework (we have kind of hit a plateau so please keep focusing on them and encouraging your child to read them). If you can’t find your child’s current list please let me know and I will send it home.

Today was D.E.A.R. Day at school. We read books and even made our own books all day. We got to go and read with the 2nd and 3rd graders, too. We really enjoyed that!

Reminder-open registration for the 2020-2021 school year is happening now! Register your child by March 10th and receive 50% off of your registration fee. If you know your child will not be returning and you feel comfortable sharing that information with me you can email me anytime.

Have a great weekend!

Mrs. Fernandez
