Bethany Lutheran School is proud to offer our new summer enrichment and remediation summer program. This program will act as an extension of the school, and provide students entering grades 1st through 8th grade an opportunity to increase their knowledge and understanding in various subjects or improve upon an earned 4th quarter grade of C or lower. Classes will be held daily from 8:30am—12:20pm, and students will also have an opportunity to transition into our summer day camp after they eat lunch. *There is a separate charge for our Summer Day Camp Program.* (Students must bring their own lunch daily.) Classes will be fifty minutes long and will be based on the following time schedule:

8:30am—9:20am

9:30am—10:20am

10:30am—11:20am

11:30am—12:20pm

What are Enrichment Courses?

Enrichment courses extend beyond the subjects that are typically taught in schools and may include learning various subjects. These courses are meant to challenge students, while allowing them to explore new or existing subjects. The success of the Enrichment Program depends on the enrollment of students.

What is a Remediation Program?

The remediation program is designed to close the gap between what a student knows and what he's expected to know, while helping to improve upon an earned grade of C or below.

The following remediation courses / subjects will be offered for credit:

Math

ELA (English Language Arts)

Social Studies (History)

Science

The following enrichment courses will be offered for no credit:

Technology

Spanish

STEM

Beginning Programming (Khan Academy)

The cost of tuition per course is \$100—the course runs from June 8—August 7. Some courses have an additional materials fee, which will be noted by the course instructor / teacher. The complete tuition cost will be collected at the time of enrollment or charged to your TAD's account. There is a non-refundable registration fee of \$50 per child. Register your child according to the grade he/she is in this current school year (2019-2020.)

ABSENCES

On the day your child(ren) is absent from class, please call the school office between 7:30am and 8:15am. (BLS Office 707-451-6683). If you know in advance that your child(ren) will be absent, notify the office in writing or by phone. Phone calls will be made to the parents of students for unexcused absences. Please attempt to have your child attend summer school daily. Good attendance is vital to a child's academic success. Attending every day and arriving on time allows for a more positive learning environment for all.

COURSE SELECTION—Check which course(s) your child will be enrolling in.

Student Name: _____ 2019-2020 Grade: _____
