

## Kindergarten Newsletter

October 9, 2020

This week in reading centers we learned the word 'and' and learned how to use it in a sentence. We also learned how to capitalize the first letter of our names and the first letter in a sentence. In math, we continue to work on patterns, sorting by color, graphing and how to properly write our numbers from 1-10. We will continue with this until we master it! In bible, we learned about Jacob and Esau. We learned that Jacob liked to his father because he wanted to steal the blessing. We talked about lying, and why we should tell the truth the first time. In science, we finished our unit on plants and animals. We grew our own lima beans in the classroom and planted them in the garden. The students loved it!

**Rainbow Words:** We are sending home rainbow words on Friday. Rainbow words are our sight words. Attached to the rainbow words is a letter explaining how to use them. Once your child can read all the words on the list, let us know and we will test them! Some students may not be ready for sight words and that is alright. Please practice these daily as it will help your child with their reading.

**Picture Re-takes:** Picture re-takes are on Wednesday October 14<sup>th</sup>. Students must be in their chapel uniform. If you need a description on what is a chapel uniform, please see the student/parent handbook on the Bethany website.

**Smoothie Friday:** We will be doing smoothie Friday again next week. The order forms will go home in Friday folders. If you would like to purchase a smoothie for your child after school on Friday, fill out the order form and return the money by Wednesday October 14<sup>th</sup>.

**Parent/Teacher Conferences:** Parent/Teachers conferences are coming up! They will be held on Wednesday October 28<sup>th</sup> and Thursday October 29<sup>th</sup>. We will be doing conference in person or on zoom. We will have a sign-up list soon.

**Consumables:** If your last name ends in A-L, please get your consumables to your teacher. You can find a list of consumables in the Bethany Eagle.

**Cleaning Supplies/Partnership Hours:** We will take all cleaning supplies as partnership hours. These are things like **bleach, hand soap, Clorox wipes, paper towels/reusable wash clothes, Lysol spray, or any cleaning supplies for our tables.** Make sure you keep your receipt and attach it to your partnership hour form. Partnership hour forms must be initialed by the office/students teacher. **Please turning in all partnership hours forms monthly so they can be credited to your Tads account.**

Blessings,

Miss Mathews and Mrs. Fernandez
