

First Grade Newsletter

November 20, 2020

This week, in First Grade, we learned about "The First Thanksgiving" and discussed the meaning of the word "gratitude". We enjoyed making turkey headbands and placemats to be used in class today. In Language Arts, we described on paper, how we would make a turkey our pet. We also continued to practice fluency and comprehension in our small reading groups. In Math, we continued to practice addition and subtraction, word problems and number sentences. We also counted by ones and tens, using pennies and dimes. In Bible, we saw how God protects us through the story of "David and Goliath". In Science, we continued to study plants.

Due to the "Thanksgiving Break" (November 23-November 27) there will be no "Homework Packet" going home today. Please encourage your child to read everyday. Many of them are really beginning to enjoy reading. Let's keep it going! I also suggest the use of board games, cards or dice to practice addition and subtraction. Keep it light and fun. Enjoy your time with them!

Thank you to everyone who participated in the "Apples for the Arts" fundraiser. Enjoy your pies!

Today, November 20th, is a minimum day. All students will be dismissed at 12 noon. "Extended Care" is available.

Have a safe and blessed "Thanksgiving Break"!

Mrs. Thomas
