

First Grade Newsletter

December 4, 2020

This week, in First Grade, we were very busy. In Math, we practiced addition and subtraction and learned about symmetry. We illustrated this concept by cutting Christmas tree shapes on a fold. In Language Arts, we learned about proper nouns and read in small groups to increase comprehension and fluency. In Science, we studied what makes plants different. In Bible, we learned about the Advent season. We enjoyed coloring our own Advent wreaths.

Friday, December 11th, is Bethany's Tree Lighting. This event will be held outdoors. Please see the Eagle for all the details.

Friday, December 18th, is a minimum day. All students will be dismissed at 12 noon. I would like to make this day special for our hard-working First Graders. If you would like to donate one of the following items: 14 individually boxed chocolate milks, 14 individually wrapped cookies, 14 Christmas napkins. All of these items must come wrapped from a store. Thank you for your understanding. I will sign people up on a "first-come-first-served" basis.

Christmas Break is December 21 through January 1. School will resume on Monday, January 4.

Blessings,

Mrs. Thomas
