

First Grade Newsletter

December 18, 2020

This has been a very energetic week in First Grade as we reviewed academics and prepared for Christmas. Along with formal assessments, in preparation for the end of the 2nd quarter (December 18th), we had fun reviewing concepts using Christmas themed activities! In Bible, we focused on the true meaning of Christmas and are looking forward to celebrating Jesus with a birthday party today!

Today, Friday, December 18th, students may wear Christmas colors/Christmas clothing to celebrate the season. No pajamas or slippers.

Christmas break is Monday, December 21st, through Friday, January 1st. School will resume on Monday, January 4th. There will be no homework packet going home today. However, there will be weekly Reading Logs. I also encourage you to practice addition and subtraction with your child.

I would like to take this time to thank everyone for supporting me and our classroom. You are greatly appreciated. Please have a wonderful Christmas and blessings in the year ahead. Enjoy the break!

Mrs. Thomas
