

Bethany Lutheran Preschool's January Newsletter

Wishing you each a very blessed New Year!! We can't wait to see what this year has in store for us here at Bethany Lutheran and are so grateful for each of you!

Upcoming Events

Priority Registration will be coming in February! Be on the lookout for more information to come!

No School

1/18 in honor of Martin Luther King Jr.'s Birthday

A Note From Dr. Smith

Dear BLS Preschool Families,

I wanted to take just a quick moment and update you on some exciting changes occurring in the Bethany preschool. Starting January 4th, when school resumes, there will be a new but familiar face leading the class. Mrs. Cindy Miller has graciously offered to lend her many years of expertise and leadership as a preschool teacher, and return to daily teaching. Cindy has been a valuable and important component within our leadership team, so having her return to the class is truly a blessing. This means that one of current teachers, Eloise Hampton, will be moving to a different role within the program. We thank Eloise for her for invaluable service as a full time teacher, and look forward to her continued service within the BLS community. Please remember to stay safe this holiday season. The health of our students and teachers is of utmost importance and wish everyone a safe and joyous Christmas and New Year.

Blessings,

Dr. Chris Smith, Principal

Bethany Lutheran Schools

January 2021
