

Hello first grade families!

I hope that everyone had a restful winter break. Thank you for all the thoughtful Christmas gifts, they meant a lot to me.

We had a busy week back at school. In Math we learned about identifying odd and even numbers, we are learning to tell time and counting money. In ELA, we read "Seasons" and worked on the sounds, "sh", "wh" and "ph" and learned the sequence of events in a story. In Bible we learned about the baptism of Jesus. In Science we learned about the food chain.

Thank you to everyone who have donated cleaning supplies, copier paper, and treasure box goodies. If anyone needs to complete any partnership hours, this is a great way to earn them. We are still unable to have any volunteers in the classroom due to Covid. We could still use some prizes in the treasure box if you are able to donate, it would be greatly appreciated. Students earn prizes when they complete their word waves, good behavior or earn 20 train tickets.

It's time to replenish some of the school supplies that your student has brought in.

If you haven't already brought them in, students will need 2 boxes of crayons, 1 box of colored pencils, erasers, 1 box of pencils, dry erase markers and scissors (if they don't already have a pair or two) please. If you can, please label the boxes with your child's name.

Have a wonderful weekend! Just a reminder that Monday, January 18th we are observing Martin Luther King Day and there is no school.

Thank You!

Mrs. Campos
