

Kindergarten Newsletter

January 29, 2021

What a wild week of weather we had! We are so thankful to God for all of the rain this week. Even though we didn't get as much outside time as we needed, we know the rain is so helpful. Hopefully your kids can get some extra sunshine and fresh air this weekend. This week was all about the letter B. We thought of lots of words that begin with B. We also discussed what verbs in past tense were and thought of some really good ones. For math, we practiced counting by 10's and learned about dimes. We matched price tags to the correct amount of dimes and did a few dot to dots by 10's. For Bible, we talked about miracles and that Jesus performed the miracle of turning water into wine.

This Monday, 2/1 is our 100th day of school! We are asking students to bring in 100 small items to share with the class. These items should fit into a Ziplock bag, which was sent home today inside our homework folders. Your child may also dress like they are 100 years old on Monday! Think sweaters, curlers, glasses, suspenders, etc.! It is going to be so much fun!

Please continue to work on our Rainbow Words. These are great to work on for a few minutes after homework has been completed. If you're not sure what list your child is on or you need a new list, please let his or her teacher know and we will send one home.

Have a great weekend!

Mrs. Fernandez and Miss Mathews
