

First Grade Newsletter

March 19, 2021

This week, in First Grade, our time was spent assessing and reviewing third quarter progress in Reading, Writing and Math. We also had fun sharing our leprechaun traps. They were all different and clever. Students did a great job with their oral presentations. Thank you parents for your support in this project! In Science, we spent the week tracking the weather. In Bible, we learned about the importance of prayer and forgiveness through Jesus' example.

Bethany's Annual Easter Festival is Saturday, April 3rd, from 9am-11am. If you can, please send 1 dozen filled plastic eggs (no chocolate) to school with your child. I will turn them into the office for you. Thank you to those who have already donated!

Please remember to follow dress code regulations. Some students are coming to school on P.E. days and Fridays with incorrect pants/shirts. All themed dress or free dress days will be announced by the school. Refer to Bethany's Student Handbook for the correct attire.

Today is a minimum day. All students will be dismissed at 12 noon. Next Friday, March 26th, will be Disney Themed Dress Day. Students may come to school dressed as their favorite Disney character or wear a Disney themed shirt.

As we enter the fourth quarter, I want to thank you for your continued support in all that we do in First Grade! Your children are working very hard in the classroom to finish the school year strong!

Mrs. Thomas
