

\*\*\*First Grade Newsletter\*\*\*March 13, 2021

Hello First Grade Families!

In ELA we read "A Little Rabbit's Tale". We learned about compound words, cause and effect and future tense. In Math we learned about adding doubles, color patterns, and picture graphs, In Science we learned about weather and seasons. In Social Studies we learned about yesterday and today.

Just a reminder that the Leprechaun traps are due in class on March 17th. We are all excited to see everyone's traps. Each of the students will be showing their leprechaun traps and how they work. Please email me if you have any questions.

Another reminder that next Friday, March 19th, is a minimum day. Dismissal is at 12 noon. Please pack enough snacks for that day, since there is only one snack. (unless your child is planning on going to extended care) If your child will be in extended care next Friday, please pack them a lunch and an extra snack, depending on how long they will be there.

Thank you for all the donations, they are greatly appreciated. If you are able, we could still use some small prizes for our treasure box. My students also love stickers for prizes for good behavior.

Enjoy your weekend!

Mrs. Campos
