

Kindergarten Newsletter

April 23, 2021

Happy Friday Kindergarten Parents! We had a busy week in kindergarten. This week we learned sight words: she, all. We also worked on the letter Ee. In math, we worked on comparing sizes, measuring length, graphing, writing numbers 0-20 and counting by 5's. The students continue to blow us away every day on how much they have learned. In science, we focused on Earth Day. We talked about how we can help our earth by picking up trash, planting, recycling, composting, and reducing energy and waste. We also were able to plant in the garden. We have the students watering the garden and making sure to take care of it. In bible, we talked about showing God's love by taking care of the earth that He gave us. We even talked about how we are thankful that God gave us such a wonderful place to live in.

Zoo Field Trip: Permission slips are going home today in Friday folders. Please make sure to sign them and turn them back in. Also, if you volunteered to drive, TWO driver's forms will be going home in Friday folders as well. Please return these forms ASAP. Thank you!

Partnership Hours: If you are looking for a way to knock down those partnership hours, we are always in need of hand soap, ziplock bags (sandwich and quart size), and copy paper. If you purchase these, please make sure you keep your receipt and attach it to your partnership hour form. Partnership hour forms must be initialed by the office/students teacher. **Please turn in all partnership hours forms monthly so they can be credited to your Tads account.**

Blessings,

Miss Mathews and Mrs. Fernandez

Upcoming Dates:

4/30: Minimum Day/Career Themed Dress Day

5/7: Zoo Field Trip
