

Second Grade News From Mrs. Ledford!!!!

Please feel free to contact me with any questions or concerns. You can email me at amy.ledford@gobethany.com or call the school and leave a message. The school phone number is

451-6683 and my extension is #21.

Important Dates

May 7th - Sacramento Zoo Trip

May 28th - Half Day (school out at noon)

May 31st - No School for Memorial Day

PE and Music

Second grade will be having PE with me at this time. Tuesday will be our PE day at this time. They can wear their PE clothes on this day. We have Music on Tuesday mornings.

Homework and Reading Logs

A homework packet will go home each Friday in their "Friday Folders" and it needs to be returned the following Friday. Homework is to reinforce what we are learning or have already learned in class. It teaches responsibility and the development of good study habits. In the homework packet is a reading log. I encourage your student to read 20 minutes each school night. I know at times this can be difficult, so if your student reads on the weekend that can be recorded for a day that might be missed during the week. Thanks for your cooperation!

*Please let me know if your student seems to be struggling with any of the assignments in the packet or if the packet has too much work!

Labels

Please label things your student brings to school, especially their chapel sweaters. Thanks!

Chapel - We are having Chapel! We are watching through Zoom in our classrooms. Your student should be dressed in Chapel clothing on Wednesdays. Thanks!

Consumable Supply List - Last names M - Z (a 1 time donation)

- Thank you for helping us stay clean and healthy! Any extra donations after this can go towards partnership hours.

2020-2021 CONSUMABLE CLASS SUPPLY REQUEST

Each year we request that our Bethany families provide various consumable supplies for use in their student's classroom*. This is completely separate from Partnership Hour Item Donations. We are asking families to provide supplies alphabetically by last name as designated below. Please provide the requested items to each classroom at the **BEGINNING** of the semester. Each teacher will record that they have been received. Following is the alphabetical list by semester:

"A—L" 1st Semester: August 13, 2020 to December 18, 2020

"M—Z" 3rd Semester: January 4, 2021 — June 1, 2021

Each family is asked to provide the following supplies for **each child's** classroom:

- 2 Rolls of Paper Towels
- 2 Box of **Small** Drinking Cups (3 oz. size)
- 3 Reams White Copy Paper
- 2 Box of Kleenex-type facial tissues, non-lotioned
- 1 Container Clorox Disinfecting Wipes
- 1 Bottle of Hand Sanitizer

PLEASE NOTE: Items requested above may be changes and/or quantities updated by semester.

We sincerely appreciate each family's assistance!

Please print family's last name clearly on the bag and PLEASE DROP OFF IN THE OFFICE.

* Items purchased for the classroom are considered a donation, and your receipt can be kept for tax filing purposes.

Weekly News - Please make sure you read the weekly Eagle that Paula sends out. It is filled with lots of information.

Masks- Please have your student keep an extra mask in his/her backpack. Many students are losing and misplacing their masks throughout the day. Thanks so much!

Shorts - As warmer weather is here, shorts are fine to wear. Please remember that shorts should be tan or blue in color only. On PE day, shorts should be a solid color (blue, grey, or black).

Summer Camp - Information went home before the break about Summer Camp. Check with Paula in the office if you need more information about this.

Subtraction Facts - Subtraction facts still seem to be causing some difficulty for some students. We are trying to complete 100 problems in 5 minutes. This is a struggle for most students. Please continue to practice facts outside of school. You can even make it fun or a game. You can practice at dinner, in the car, or even a few minutes before bed. Thanks so much! I want my students to be successful and ready for third grade.

*Also, we are working hard on multiplication. We have worked on 0, 1, 10, 5 and 2s!!!!
