

## Kindergarten Newsletter

September 17, 2021

We have had a busy week! We all made it in one piece, though! We have had a lot of germies come through our classes this week. We always continue to practice good hand washing and sanitizing of our classrooms. Speaking of sanitizing, please check this week's Eagle to see if it's your turn to bring in classroom supplies. The supply list is located on the last page of the Eagle newsletter. In class this week we continue to write the alphabet and work on letter sounds. Our Word Wall word is 'the'. In math we worked a lot with manipulatives and pattern blocks. For social studies we learned many symbols of America and what they mean. We even made an American Flag for art. We used our fine motor skills to color and ripped small pieces of red and blue paper to create our flag. For science we have been learning all about weather and how to be a weather watcher!

Next week is Spirit Week! Each day will have a different theme.

Monday is Disney Day!

Tuesday is pajama day!

Wednesday is regular chapel dress

Thursday is Twin Day!

Friday is Throwback Day-dress like a different decade: ex. 80's and 90's. Friday is also a minimum day.

Remember to count those train tickets! We should be getting close to 25. When your child has 25 train tickets they can bring them in to exchange for a prize from the treasure box. We have also had so many Reading Logs brought back already! Great job! Continue to read Rainbow Words every night after homework.

Have a great weekend!

Mrs. Fernandez and Mrs. Jamison
