

Miss Mathews 1st and 2nd Combo Class

10/8/2021

Happy Friday Everyone! This week in Bible, we finished unit 1 and started working on our chapel take over. Our class will be doing chapel take over on Wednesday 10/20 at 8:30 AM. In science, we presented our animal projects. Everyone did such a great job on their project! I enjoyed watching everyone present their animal facts and seeing all of the posters! We worked on our handwriting packet. Our handwriting packet is used to help us achieve fantastic writing that is legible. Our writing prompt this week was all about what our favorite thing about the month of October.

First Grade: This week we worked on short i sound. We started to learn about sentence parts. They learned that every sentence has a subject which is the naming part and a predicate which is the action part. We continue to talk about how a sentence always starts with a capital letter and ends with a punctuation. We read How Animals Communicate and Insect Messages. In math, we worked on our addition facts, adding doubles, ordinal numbers and fractions. We took a math test on Tuesday and everyone did very well! Good job guys!

Second Grade: This week, we started talking about proper nouns for people, animals, places and things. They learned that proper nouns always start with a capital letter. We talked about all of our favorite proper nouns including family, pets, places and stores. In math, we worked on our addition facts, adding sums of 8 and 9, graphing, telling time to the half hour, counting dimes and pennies, and fraction. We took a math test on Tuesday and all of the students did very well! Good job guys!

Harvest Festival: The harvest festival is coming up. It is the Friday before Halloween. This would be Friday October 29th. We would like to give a big thank you to **The Getchell's** who have volunteered to decorate our trunk for us.

Field Trip: We are looking forward to our field trip on 10/22. We will be going to Cool Patch Pumpkins. We will leave the school about 8:45 AM. If you are a parent driver, please be back at the school by 8:30 AM so we can get ready to leave on time. If your child is going on the field trip, they need to bring their car seat to school that day. Also, we will be eating our lunches at the Pumpkin patch so every student needs water and a packed lunch for the day. We will be wearing our Bethany Spirit shirts, jeans or shorts, and comfortable shoes. The corn maze is HUGE and it could take us 1 hour to 1 hour 45 minutes to get through it. Every child will be responsible for carrying their own water so a small backpack would really help. We will leave our lunches in the cars and go out to get them when it is time.

Blessings,

Miss Mathews
