

## Kindergarten Newsletter

October 1, 2021

This week was all about the letter Ss. We thought of many words that begin with S. Sammy Seal is the Alphafriend in kindergarten. We also reviewed the letter Mm. For Bible we learned about brothers Jacob and Esau and how Jacob lied to his father, Isaac. We talked about telling lies and how we should always tell the truth. In ELA, we read a book about a costume and drew pictures of our favorite costumes. There were some very creative pictures! We reviewed Word Wall words I, and, the, like. In math we started learning more about AB patterns. We used small manipulatives to make patterns before working on them in our math books. Science continues to be about weather but this week we focused on shade and sunlight and the different temperatures in both.

Apple pie sales continue through October 20<sup>th</sup>. Keep up the good work! We are starting to collect Box Tops, too. If you have any at home, please send them to school periodically. A paper explaining this in more detail was sent home today. Thank you for all of the generous offerings at Chapel this week! We will continue to collect offering every Wednesday (you do not have to donate every week) for the St. Baldrick's Foundation.

Have a great weekend!

Mrs. Fernandez and Mrs. Jamison
