

Kindergarten News

October 8,2021

It has been another great week in kindergarten! The students have been busy with Bible, language, math and science! We even did a lesson about fire safety and watched a short video that took us on a field trip to the fire department.

This week in Bible, we learned about the story of Joseph and his brothers. Joseph's brothers were so jealous of him and sold him to slaves and he still forgave them and trusted in Jesus knowing he had a plan for him! In language we started our second unit, talking about our five senses and learning our new sight word, "see". In math we reviewed shapes and continued with number writing practice.

Upcoming highlights!

*No school on Monday October 11th

*Chapel Wednesday, offering is welcome but is completely voluntary!

*Pie sales are due October 20th

*Picture retakes October 27th

*Minimum days October 27, 28 and 29. Children are excused at noon. Parent teacher conferences, more information to come!

Sincerely,

Mrs. Fernandez and Mrs. Jamison
