

Kindergarten Newsletter

November 12th, 2021

This week we learned about veterans. We learned what a veteran is and some of the jobs they have. We learned the branches of military- Army, Navy, Marines, Air Force and Coast Guard. We drew pictures of soldiers and even made a book about Veteran's. We are so grateful for all veterans and their service to our country! Bible this week was about the birth of John the Baptist. He had a very important job to do. He has to prepare people for the coming of our Savior, Jesus. We talked about angels and how they are messengers of God. There might even be special Angel Message from our kinders in backpacks today! Math was all about pennies. We looked at pennies and learned that Abraham Lincoln is on the front and the Lincoln Memorial is on the back. We learned that pennies are worth 1 cent by counting them. Counting pennies is a great and easy activity to do at home, too. ELA this week was all about seasons and how they change.

Next week we will have our Thanksgiving feast on Thursday at 11:15 am. Mrs. Fernandez and Mrs. Jamison will have sign up sheets before and after school if you would like to donate anything. Friday is a minimum day. All students will be released at 12:00.

Reminder-if you ordered an apple pie from Apple Hill you will need to pick them up on Wednesday, November 17th from 3:00-4:30.

Have a great weekend!

Mrs. Fernandez and Mrs. Jamison
