

## Kindergarten Newsletter

October 29, 2021

We had such a fun week this week! We made lots of fun Halloween crafts and read books about pumpkins. We learned all about the pumpkin life cycle, too. There was even a pumpkin decorating contest and our classes won! We did a 101 Dalmatian theme. The prize is a pizza/ice cream party! Your child does not need a lunch next Friday, November 5<sup>th</sup> because we will be having our pizza party then. They will still need a snack. For ELA this week we read books about things with wheels. We wrote about how we would want to get around in the city. Our word this week was 'to'. For math we worked on missing numbers and putting numbers in order. Our Bible this week was all about God's people crossing the Jordan River into the promised land.

Thank you to everyone who came to conferences. We enjoyed talking to and getting to know all of you! Remember you can view your child's report card on the TADS website.

If you have not yet brought in your consumables to your child's teacher, please do so. If your last name starts with A-L it is your turn. Please see The Bethany Eagle for the supplies list.

Have a great weekend!

Mrs. Fernandez and Mrs. Jamison
