

# Clemons' Class News!

Hello and welcome to our weekly update! As you know, I have been assigned to third grade for the remainder of this school year and am so excited at how well the students are adjusting to having a new teacher and new routines! This week was a rollercoaster of sorts as we got the train on track, but we are rolling along full-steam ahead! Here is what is happening in Clemons' Class!

## MATH

We introduced multiplication today! The kids are very excited, even though it was just ones and tens! It is crucial for them to know their multiplication facts in order to move on to division, so please practice at home as much as you can. Even just running some math drills on the way to school would be great!

Spelling for next week will focus on "ar" and "or" words. **We will have a spelling/vocab test each Friday which will consist of spelling the assigned words and writing a definition for vocabulary words.** The spelling words for next Friday, 1/21/22, will be:

shark	charm	chart	dark	tarnish
report	formal	adorable	tornado	forty
force	partner	corner	important	explore
alarming	born	forehead	orchestra	short

**Vocabulary words are:** ability, patrol, loyal, partners, shift, snap, lying, quiver

**Bible Verse:** We will memorize a Bible verse every week and there will be a quiz each Friday. Next Friday, the test will be on the following verse:

*"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11*

**Field Trip:** Be sure to check your child's Friday folder for a very important form that needs to be filled out and sent back ASAP! We are going to iFly Indoor

# Clemons' Class News!

Skydiving on February 3rd! All students must have a waiver in order to participate. All information is on the Permission Slip. Please read it carefully.

**Scholastic Books:** I sent an email on Tuesday with class access and discount codes. Be sure to check your email for details and order some books! We spend 15 minutes after recess reading. The students are welcome to bring a chapter book from home to read at that time.

**Planners and Folders:** Every day, your child should be coming home with a homework folder and planner. All homework assignments, spelling words, and Bible verse should be written in the planner every Monday. Homework is assigned daily for math and ELA. Even if they finish it in class, it should still be written in their planner and the homework page(s) will be in their homework folder to be turned in the next day. Please be sure to check the planner and quickly initial that you saw it.

**Friday Folder:** Today, you received a blue Friday folder with your child's name on it. This folder will be coming home every Friday and will contain any important notices from the school along with all graded work. **Please keep all work at home and return the folder every Monday.** Be sure to fill out any school forms that come home and return those in the folder on Monday as well. Every child who returns the folder on Monday will receive tickets for Mrs. Clemons' monthly prize box!

**Toys at School:** Just a friendly reminder that children are not permitted to bring toys to school. This includes Pokemon cards, poppits, and other small items. Thank you for checking their bags and pockets for stowaways!

That sums up our week pretty well and I am looking forward to a wonderful week next week. Enjoy the long weekend!

Blessings and Peace,  
Mrs. Clemons
