

Clemons' Class News!

January 21, 2022

Greetings!

Although it was a short week, and we got off to a bumpy start, we accomplished a lot this week. The students are working very hard and it really showed on their Bible and spelling tests this week. Be sure to read the entire newsletter for lots of important information.

Spelling for next week will focus on more "r-controlled" vowels. **We will have a spelling/vocab test each Friday which will consist of spelling the assigned words and writing a definition OR correct sentence for vocabulary words.** Students will have the opportunity

to take a pretest on Wednesday. If a student scores 100% on the Wednesday pretest, he/she does not have to take the test on Friday! The spelling words for next Friday, 1/28/22, will be:

nurse	work	shirt	hurt	first
word	serve	adorable	tornado	curly
dirt	third	worry	important	turn
stir	firm	forehead	orchestra	market

Vocabulary words are: festive, ingredients, degrees, recommended, anxiously, cross, remarked, tense

Bible Verse: Quiz will be every Friday

"Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die." John 11:25

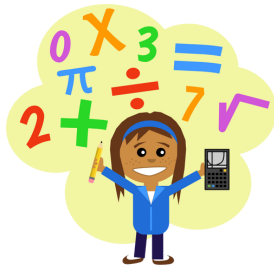

Field Trip: We are going to iFly Indoor Skydiving on February 3rd! **All students must have a waiver in order to participate.** All information is on the Permission Slip. If you have not turned it in yet, please do so by **Monday, January 24, 2022.**

Clemons' Class News!

Amazon Wish List: We need a few things for our classroom, so I created an Amazon wish list to make it super easy! I also sent this link in a separate email with additional info. I appreciate any and all support for our kids!

https://www.amazon.com/hz/wishlist/ls/1NSU7FPVNLPWV?ref_=wl_share

Scholastic Books: Be sure to get your orders in ASAP! Check your email for site info and discount codes!

Math Enrichment: I have created a class account and individual accounts for each student in our class on Prodigy.com. I have stapled the login information in your child's Friday folder. They can go online to play.prodigygame.com to log in. It looks like a game, but I have control over the math problems they do and can assign certain tasks individually or as a class. As I identify where your child may be struggling, I will assign enrichment exercises (hidden within the Prodigy game) for them to practice those skills.

Planners and Folders: Every day, your child should be coming home with a homework folder and planner. Please be sure they have these items. All homework should be written in the planner and papers should be in their folder.

Friday Folder: Please keep all graded work at home and return the folder every Monday. Be sure to fill out any school forms that come home and return those in the folder on Monday as well. Every child who returns the folder on Monday will receive tickets for Mrs. Clemons' coveted monthly prize box!

That covers it! Be sure to tell your child the secret word is "pancakes" so they can get an extra ticket when they return their folder on Monday morning. Don't forget: Minimum Day/PJ and DEAR day on Friday! Have a great weekend!

Blessings and Peace,
Mrs. Clemons
