MUSIC

DR. NOMURA - MEGUMI.NOMURA@GOBETHANY.COM

Greetings, Music 4 families!

I hope your week went well! We had a fun-filled week with performances and starting to learn new music. This Thursday, we started the Lava song (from the Pixar short, "Lava"): yes, the chords are simple BUT I'm challenging the students to use a different strumming pattern so that they can work on their right-hand coordination. We'll be working on this for the next couple of weeks.

Our Spring Concert date is finalized AND official on the main calendar. April 13, Wednesday (5:30pm/6pm start time) at our school. We'll be outdoors so that we can spread out and perform without masks. There will be a talent show portion to this concert as well. That means if students (K-8) have any talent they'd like to share, they will be able to participate. These talent acts can be individual or with a group, singing or dancing, showing off athletic skills, magic tricks, etc.! The sign-up sheet will be available mid-March and I will have to see all acts/talents before students get the OK to perform (since we have to check to see if it's school appropriate, etc.). Please keep in mind that I will have a dress rehearsal/run-through of the talent show portion (ONLY) either the Monday (4/11) or the week prior to the performance date. That way, we can do a sound check and make sure all acts are seamless!

As usual, please email me should you have any questions.

Have a great weekend,
Dr. Nomura
