MUSIC

DR. NOMURA - MEGUMI.NOMURA@GOBETHANY.COM

Hello Music 4 families,

This week felt incredibly short, especially with the iFly field trip in the middle of the week! Even though our music class only met once this week, the class was able to go through the entire first page of Lava. I will be showing the Pixar short next week in class. I'm so glad that everyone is excited to play this song!

Here's the memo about our concert date from last week:

Our Spring Concert date is finalized AND official on the main calendar. April 13, Wednesday (5:30pm/6pm start time) at our school. We'll be outdoors so that we can spread out and perform without masks. There will be a talent show portion to this concert as well. That means if students (K-8) have any talent they'd like to share, they will be able to participate. These talent acts can be individual or with a group, singing or dancing, showing off athletic skills, magic tricks, etc.! The sign-up sheet will be available mid-March and I will have to see all acts/talents before students get the OK to perform (since we have to check to see if it's school appropriate, etc.). Please keep in mind that I will have a dress rehearsal/run-through of the talent show portion (ONLY) either the Monday (4/11) or the week prior to the performance date. That way, we can do a sound check and make sure all acts are seamless!

As usual, please email me should you have any questions.

Dr. Nomura
