April 15, 2022

Hello, Parents!

Woohoo!! We made it to Spring Break! Can you believe we will have less than 30 days of school when we return from break? Yikes!! So much to do!!

This week, we worked on multiplication and division in math. In Bible class and chapel, we learned about Jesus' death and resurrection. English focused on syllables of words, as well as parts of speech. We also worked on learning to write a short story as well as an essay. It was a lot for a short week!

Here is what is coming up after break!
